

Prompt #1: 7-Day Content Calendar Generator

Use Case:

Generate a complete 7-day social media content calendar for brands or creators.

Techniques Used:

- Role Prompting
- Structured Prompting
- Constraints

Template:

You are a digital marketing strategist.

Create a 7-day content calendar for {brand_name}.

Target audience: {target_audience}

Platform: {platform}

Content goal: {goal}

Tone: {tone}

Requirements:

- Generate content ideas for 7 days
- Include post type, topic, and caption idea
- Keep captions short and engaging
- Add hashtag suggestions
- Maintain consistent brand tone

Sample Output:

Day 1 – Motivational Post Topic: Productivity tips for students Caption: "Small daily improvements lead to big success 📚✨" Hashtags: #StudentLife #Motivation #Productivity

Day 2 – Educational Carousel Topic: Top 5 AI tools for learning Caption: "Discover AI tools that make studying smarter 🤖" Hashtags: #AI #Learning #Students

Day 3 – Behind-the-Scenes Post Topic: Team workspace setup Caption: "Here's how our creative team works every day 💻" Hashtags: #WorkCulture #CreativeLife #Startup

Day 4 – User Engagement Post Topic: Poll about study habits Caption: "What helps you focus more while studying?" Hashtags: #StudyTips #Poll #Focus

Day 5 – Product Highlight Topic: Feature showcase Caption: "Simplify your workflow with smart automation 🚀" Hashtags: #Tech #Automation #Productivity

Day 6 – Inspirational Quote Topic: Consistency and growth Caption: "Success starts with consistency 🌱" Hashtags: #Growth #Mindset #Success

Day 7 – Weekend Fun Post Topic: Relaxation and creativity Caption: "Recharge today to perform better tomorrow ☕" Hashtags: #WeekendVibes #Relax #Balance

Iteration (v1 → v2):

- v1 generated random content ideas without structure.
- v2 improved by organizing content day-wise with captions and hashtags.
- Added consistency in tone and audience targeting.

Prompt #2: Instagram Caption Generator

Use Case:

Generate engaging Instagram captions for a brand post.

Techniques Used:

- Role Prompting
- Tone Control

Template:

You are a social media manager for {brand_name}.

Write an Instagram caption for a post about {topic}.

Tone: {tone}

Audience: {audience}

Constraints:

- Maximum 80 words
- Include emojis
- Include 5 hashtags

Sample Output:

Fresh styles just dropped 🔥 Upgrade your wardrobe with our latest summer collection designed for comfort and confidence.

Shop now and stand out this season ✨

#Fashion #SummerStyle #Trending #OutfitInspo #StyleGoals

Prompt #3: Blog Post Introduction

Use Case:

Write an engaging intro paragraph for a blog article.

Techniques Used:

- Role Prompting
- Structured Prompting

Template:

You are a professional blog writer.

Write an introduction for a blog article titled "{blog_title}".

Target audience: {audience}

Tone: {tone}

Requirements:

- Hook the reader in the first sentence
- Mention the main problem
- Keep under 120 words

Sample Output:

Artificial Intelligence is changing the way students learn and work. From automated research tools to personalized learning systems, AI is becoming an important part of education. However, many students still struggle to understand how AI can actually improve productivity and learning outcomes. In this article, we explore practical ways students can use AI tools effectively in daily academic life.

Iteration (v1 → v2):

- v1 lacked a strong hook.
- v2 added a problem-focused opening and clearer audience targeting.

Prompt #4: Cold Outreach Email

Use Case:

Create a professional cold outreach email for business networking.

Techniques Used:

- Role Prompting
- Constraints

Template:

You are a business development executive.

Write a cold outreach email to {recipient_role} from {company_name}.

Purpose: {purpose}

Value proposition: {value}

Tone: {tone}

Constraints:

- Keep under 120 words
- Include a clear subject line
- End politely

Sample Output:

Subject: Helping Your Team Improve Workflow Efficiency

Hi Sarah,

I hope you're doing well. I'm reaching out from FlowSync Solutions.

We help companies automate repetitive workflows and improve team productivity through AI-based tools. I believe our platform could help your operations team reduce manual work and save valuable time.

Would you be open to a quick 15-minute call next week?

Best regards, David

Prompt #5: Follow-Up Email

Use Case:

Write a professional follow-up email after no response.

Techniques Used:

- Role Prompting
- Constraints

Template:

You are a sales representative.

Write a follow-up email regarding {previous_topic}.

Recipient: {recipient_name}

Tone: {tone}

Constraints:

- Friendly and professional
- Under 100 words
- Include CTA

Sample Output:

Subject: Quick Follow-Up

Hi John,

Just following up on my previous email regarding the workflow automation demo.

I'd love to hear your thoughts and answer any questions you may have. Please let me know if you're available for a short discussion this week.

Looking forward to hearing from you.

Best, Emma

Prompt #6: Product Description

Use Case:

Generate an e-commerce product description.

Techniques Used:

- Role Prompting
- Few-shot Prompting

Template:

You are an e-commerce copywriter.

Write a product description for {product_name}.

Features:

- {feature_1}
- {feature_2}
- {feature_3}

Audience: {target_audience} , **Tone:** {tone}

Constraints:

- Use persuasive language
- Maximum 150 words
- Highlight benefits over features

Sample Output:

The SmartFit Watch is designed to keep you connected, active, and healthy.

With real-time fitness tracking, heart-rate monitoring, and long battery life, it helps you stay on top of your goals without interruptions.

Whether you're working out or attending meetings, SmartFit Watch combines style and functionality perfectly.

Stay productive. Stay healthy.

Iteration (v1 → v2):

- v1 focused only on technical specifications.
- v2 highlighted customer benefits and lifestyle improvement.
- Improved persuasive tone for better marketing impact.
